## Value Added Course Report

SERVER SIDE SCRIPTING LANGUAGES

20.09.22 -21.09.22

The department of Computer Science and Engineering has organized 6 days value added course on Node Python for the benefits of second year computer Science and Engineering students who are interested to learn new python. The event has been inaugurated in the presence of the respected principal Dr. M.S.Ravikumar, PSN Engineering College. The event started with the inaugural address given by Mrs. k. Vasuki devi which includes the introduction and need for organizing a value-added course in the name of the Node Python. Ms.M.Anitha, Head of the Department, Computer Science and Engineering, Explained about the importance of learning python for the students and placement opportunities. At the end of the day the vote of the thanks given by Mrs. k. Vasukidevi, Assistant professor, Department of Computer Science Engineering. In this event totally, 42 Computer Science and Engineering students were participated and they benefited by attaining very good knowledge on python.
