## Program on Guest Lecture

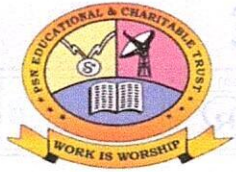

Name of the Program	<b>Physics and Its Applications</b>
Conducted on	17 <sup>th</sup> February 2022
Duration	1 ½ Hrs
Venue	PSNEC Seminar Hall
Number of participates	60
Dept/Year/Semester	S&H Department first year students
Resource Person	Mrs. Reginal, Assistant Professor, Physics Department, SCADCET, Tirunelveli.
Objective of the Program	To understand the general Physics in our life

The Program started at 11.30 a.m.

A program entitled **“Physics and Its Applications”** for **1<sup>st</sup> year students** conducted by PSNEC Physics Staff members in PSNEC Seminar hall. Our chief Guest **Mrs. Reginal, Assistant Professor, Physics Department, SCADCET, Tirunelveli** shared her ideas on Physics and Its Applications.

Applications of Physics is designed for students interested in science and technology related careers and majors. Physics carries significant crossover with several mathematical fields, including algebra for basic physics and calculus for advanced physics.

Broadly, physics involves the study of everything in physical existence, from the smallest subatomic particles to the entire universe.

Students are eagerly watching the Chef Guest's Lecture

## Summary:

1. The program for first year students to be conducted on February 17, 2022 @ seminar hall of PSNEC.
2. Students get motivated and understand the subject Physics in general.
