3.4.1 Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and the impact thereof during the year

Describe the impact of extension activities in sensitizing students to social issues and holistic development within of 200 words.

PSNEC Engineering College is actively and aggressively organizing and participating in various extension activities and outreach program to promote the Institute –Neighborhood community to sensitize the student towards community needs. The Institute believes in not only promoting the social and community activities to sensitize student but also leading in shaping the student and faculty and staff into responsible citizens of the nation and imparting all round development of student in each vertical.

Various society committee team members and organizers inculcate this awareness and goodness through various program like cleanliness, green environment & tree plantation , Gender sensitization cloths & stationary donation camp ,campaign –say no to crackers, Hygiene and Environment Awareness plantation drive , Mental health awareness campaign , NSS Day celebrations , Blood donation camps , ECO club activities , Woman Development and Empowerment activities, International Disability day activities etc.

All these mentioned activities have a positive impact on the student, and they developed student community relationships, leadership skills, and self-confidence of students. It also helped in cultivating the hidden personality of students and creating awareness among students .Apart from these the significance of clean surrounding hygienic, sanitation in neighborhood, garbage disposal ,and sensitizing the community at large to these vertical issues. All these initiatives have gone a long way in the holistic development personality of the participations of these programs. Blood donation camps strengthen the sense of empathy and compassion among donors and also install in them a sense of commitment and ethical responsibility. Program on the women empowerment create awareness among girl students of their condition and their rights and among boys a sensitivity towards problem of women, leading to a lessening of gender bias and patriarchal prejudices. All these leads to informed, balanced citizenship. The institute is always leading the students and Faculty to keep update of all the most trending activities in Commerce, Technology, Management and in Education Excellence by providing them time to time subscriptions and through institute social media handles like Face book, YouTube, LinkedIn, Twitter, Instagram.
