4.1.2 MAINTENANCE OF CAMPUS INFRASTRUCTURE:

Physical facilities: The maintenance and utilization of the College physical facilities is carried out by the College Physical Development Committee with the head of the institution (Principal) as the Convener. For maintenance of a clean campus environment, Janitors are assigned to various jobs and duties – cleaning of classrooms, corridors, faculty room, toilets, office, library, College compound etc are well-regulated. Skilled workers are hired for repair works relating to buildings, electricity, furniture, etc. Qualified and trained supporting staffs are assigned for regular maintenance of the infrastructure facilities and equipments. Certification of building stability license, fire safety license, inspection of electrical work renewal of transport license and sanitary license are obtained and renewed every year.

Laboratory: Laboratory maintenance is essential to decrease the repair and maintenance cost. Our college laboratories are maintained with regular equipment calibration, cleaning, lubrication, inspection, testing, and more. Lab In-charges are ensured that the equipment is appropriately allocated and utilized, budgeting for equipment purchases, bills and upgrade the stock registers, and identifying and addressing any equipment-related issues.

Library: The Library Advisory Committee headed by the Principal is constituted to look into the soft and professional functioning of the Library. It also deal with problems concerning to library amenities. Librarian with Assistants to help student and teaching faculties in searching and lending books in the Library. There are 26,228 Text-books, 78 e-books in the library. At the time of admission, students are issue digitalized
